CALENDAR

OF EXPIRING COLLECTIVE AGREEMENTS

2002

Province of British Columbia
MINISTRY OF SKILLS DEVELOPMENT AND LABOUR

Hon. Graham Bruce
Minister

FORWARD

The Calendar of Expiring Agreements is a compilation of major collective agreements in British Columbia that are scheduled to expire in 2002. The publication has been expanded this year to include those expiring agreements that cover 25 or more employees; there are 252 collective agreements covering 73,243 employees. The number of employees shown represents full-time equivalents for B.C. based employees of those companies/organizations operating in B.C. The agreements listed fall within either Federal (Canada Labour Code) or Provincial (B.C. Labour Relations Code) jurisdiction. The first two pages of the publication highlight the expiring collective agreements covering 500 or more employees.

The total number of agreements and employees covered in the Calendar understates to some extent the bargaining activity to be expected during 2002, since the calendar only deals with bargaining units of 25 or more employees and since it is not possible to anticipate bargaining which will arise from first contract negotiations where a trade union has been newly certified by the Labour Relations Board.

The Calendar was compiled from reports produced using the Labour Relations Board's Collective Bargaining Information System. The Calendar was also compiled with the co-operation of employer and union organizations that provided expiry information. Debra Alton of the Library Services Division of the Labour Relations Board was responsible for the co-ordination and presentation of the information contained in the Calendar.
